1. Mountain View High School opened on September 6, 2005 and is currently 98% complete with all construction efforts. Included in the startup of MVHS is the furnishing and equipping of their Culinary Arts Career Technology Education program.

Using the contract allowed SCPS to obtain this equipment quicker and also at a competitive price. The small ware equipment includes pots, pans, baking equipment, knives, glasses, cups, plates, etc...On September 30, 2005 Take Two Unlimited provided a cost proposal to SCPS in the amount of \$58.5K.
3. If approved by the School Board, staff will finalize the purchase order and finalize delivery of small ware.
